A road safety awareness rally was organised by the District Road Transport Office on Tuesday. With the great perspective in acknowledging the importance of Road Safety, in line with the observance of Road Safety Week, Regional Transport Office organized a mega programme at Sri Shanmugha College of Engineering and Technology, Sankari in association with the National Service Scheme Unit of the college on 11th October 2016. Around 82 students participated in the rally. Road Safety Awareness Rally on Sankari 11.10.2016 at 10.00am. NSS Students and public participated in this rally.

A Road Safety Awareness rally was organized on 11.10.2016. The dignitaries who shared the session were the Inspector of Police Sankari and Traffic Inspector. The session was very useful for students like us, focusing on the safety measures to be followed while riding. Mainly focus on several measures have been undertaken by the students for the safety of the travelers on road:

Seat belt wearing is an important rule for the people traveling in the front seat of the four wheeled vehicles. Heavy penalties have been levied in certain states for the people who violate the rule. This is a major safety measure taken by the government. The wearing of the seat belt reduces the risk of major injury if accident happens and surveys have proved the fact.

- Two wheeled vehicle drivers have to wear helmets and failing to do so can lead to heavy penalty. Measures are taken by the government for the benefit of the people.
- Use of cell phone while driving is prohibited. But hardly people try to follow the rule sometimes. To prevent this, preventive measures like fine payment has been levied on the citizens who are found driving and talking on the mobile simultaneously.
- Red light jumping and no lane driving is another hazard in maintaining road discipline. This is the reason why the government has taken the measure of penalty payment of red light jumpers.
- Over speeding also leads to punishment and many people end up paying fine for the same. The students were very much enlightened by his motivating speech because at this age we ride for fun.
