The 100 hour experiential Internship program (between 1st May to 31st July 2018)

We have conducted awareness and activities under the scheme of Swachh Bharat Summer Internship Camp for 100 hour experiential Internship program (between 9<sup>th</sup> July to 24<sup>th</sup> July 2018)

Based on our survey, we identified the following villages were rural and lack of awareness in hygiene and their consequence.

In pursuance to the vision of Swachh Bharat Summer Internship Camp, Sri Shanmugha College of Engineering and Technology has launched the special cleanliness drive and has formally constituted two nodal officers to monitor and coordinate cleanliness activities in this program. The broad plan of action will be as follows:

1. Generating mass awareness on cleanliness and hygiene amongst students and staff members by holding regular 'Sensitization Programmes' on 'Swachh Bharat Abhiyan' so as to motivate them to contribute to this Campaign in a proactive manner.
2. Activities under 'Swachh Bharat Abhiyan' will be a key component of all the community work being done by NSS volunteers of the college.
3. Students and Teachers will regularly participate in the special cleanliness drive in the college campus on continuing basis.
4. Events such as poster competitions, Quizzes, debates, painting competitions, essay writing, poetry writing/ reciting, speeches, skits on 'Swachh Bharat' will be organized.
5. Rallies on themes connected with 'Swachh Bharat Abhiyan' in and around the college campus will be conducted to create mass awareness on such issues.

The statistics on cybercrime in India paint a picture that none can be proud of. What is most alarming in recent times is the increasing number of youth involved in cybercrime cases. To create awareness about this rapidly rising problem. He pointed out that inappropriate use of the Internet is a major issue with school and college going students. Unknowingly students and children get trapped in various cyber related crime. Right orientation and proper parental awareness can restrict the problem to some extent. He explained the safe usage of social media, online shopping, internet games, correct methods of using debit and credit cards and internet banking. He also briefed the audience about keeping passwords safe, avoiding cyber bullying, data thefts, threats of fake profiles and defamatory posts.
