

Gramma Shaba Awareness Creation (2017-18)

Report on Awareness Program on Gramma Shaba

Name of the Event	An awareness program on Gramma Shaba
Organized through	NSS / YRC
Resource person	Mr.K.Sudhakar, Gramma Shaba Programme Officer Chennai
Date/time/venue	21 st July 2017/ 3 – 4 pm/ Seminar hall
No. of Students Participated	200

The Grama Sabha is the grass root level democratic institution in each Village Panchayat. A vibrant Grama Sabha is essential for the effective functioning of Village Panchayats by promoting transparency and accountability in administration, enhancing public participation in the planning and implementation of schemes and in the choice of beneficiaries, and paving the way for social audit. In view of this an awareness program was organized by our Institution NSS Unit on 21 July 2017 @3.00 PM. Resource person from Chennai Mr.K.Sudhakar, Programme Officer Gramma Shabha, was the chief guest and delivered a lecture on Importance of Gram Shabha also conducted a Model Grama Sabha meeting using our students. The programme was very useful and informative also.

International Yoga Day Celebration (21.06.2017)

Report on International Yoga Day Celebration

Name of the Event	International Yoga Day Celebration
Organized through	NSS / YRC
Resource person	Mrs.K.Kala, Mrs.M.Chitra, Yoga Trainers
Date/time/venue	21 st June 2017/ 09 a.m.– 11.30a.m./ Seminar hall, SSCET
No. of Students Participated	160

As part of worldwide celebration of 3rd International Yoga Day on 21st June 2017. Sri Shanmugha College of Engineering and Technology has also celebrated in its campus.

Yoga session of around forty minutes was organized in which students, faculty, officers and staff took part enthusiastically and practiced various 'asanas' of Yoga and pranayama. A Yoga practitioner was invited to demonstrate various Yoga postures and explain correct way of doing asanas. The International Yoga Day was celebrated to bring peace, harmony, happiness and success to every soul in the world. This was a great opportunity to imbibe the value of discipline. Yoga is a mental, physical and spiritual practice that needs to be carried every day. Students got the chance to know how yoga embodies unity of mind and body.

All The students with the staff performed Yoga between 9 am and 11:30 am. Different yoga postures like Vrikshasana, Uttaanaasana, Trikonaasana, Bhadrasana, Shashankaasana, Bhujangasana, Pawana Muktaasana, finally ended with Pranayama and meditation. Prayers were recited before and after the programme. Heartfelt thanks to our Prime Minister, Mr.Narendra Modi for giving an opportunity for Colleges to celebrate the International Yoga Day. The College is also thankful to initiating this, also for including Yoga as a part of the syllabus.

Fire and Safety Awareness Program (2017-18)

Report on Fire and Safety Awareness Program

Name of the Event	Fire and Safety Awareness Program
Organized through	NSS / YRC
Resource person	Mr.T.Baskar , Indian Oil Corporation, Sankari
Date/time/venue	21 st August 2017/ 3 – 4 pm/ Play Ground
No. of Students Participated	100

Fire safety training is important because it gives your employees the valuable knowledge and skills they need to prevent fires and get out of burning buildings. Fire safety training helps to protect your business. It ensures everyone knows how to act safely, reducing the risk of injury or loss of life in the event of a blaze. Basic fire-fighting techniques can also help to prevent small fires from becoming big emergencies. In view of this an Fire and Safety awareness Program was organized by our Institution NSS Unit on 21st August 2017@3.00 PM. Resource person Mr.T.Baskar from Indian Oil Corporation, Sankari gave awareness talk on Fire and Safety. He explained and demonstrated about the preventive measures, rescue ways and first aid steps to be done at various fire accidents. He involved the students in practical fire and safety activities to exhibit their understanding.

A Road Safety Awareness Programme (2017-18)

Report on A Road Safety Awareness Programme

Name of the Event	A Road Safety Awareness Programme
Organized through	NSS / YRC
Resource person	Mr.Selvam, Inspector of Police, Sankari Mr.N.Venkatachalam, Traffic Inspector, Sankari
Date/time/venue	13 th September 2017/ 11 am - 12.30 pm/ Seminar hall
No. of Students Participated	180

A Road Safety Awareness program was organized at our college premises on 13.09.2017. The dignitaries who shared the session were the Mr.Selvam Inspector of Police Sankari and Traffic Inspector Mr.N.Venkatachalam. The session was very useful for students like us, focusing on the safety measures to be followed while riding. The program was started by Welcome address which given by Principal Dr.G.Kavitha and The speech delivered by the Mr.Selvam was very informative and he provoked the undeniable truth that “each one’s safety is in their own hands” as well on the importance of a how precious each one’s life is.

Mr.N.Venkatachalam mainly focus on several measures have been undertaken by the students for the safety of the travelers on road:

Seat belt wearing is an important rule for the people traveling in the front seat of the four wheeled vehicles. Heavy penalties have been levied in certain states for the people who violate the rule. This is a major safety measure taken by the government. The wearing of the seat belt reduces the risk of major injury if accident happens and surveys have proved the fact.

- Two wheeled vehicle drivers have to wear helmets and failing to do so can lead to heavy penalty. Measures are taken by the government for the benefit of the people.
- Use of cell phone while driving is prohibited. But hardly people try to follow the rule sometimes. To prevent this, preventive measures like fine payment has been levied on the citizens who are found driving and talking on the mobile simultaneously.
- Red light jumping and no lane driving is another hazard in maintaining road discipline. This is the reason why the government has taken the measure of penalty payment of red light jumpers.
- Over speeding also leads to punishment and many people end up paying fine for the same. The students were very much enlightened by his motivating speech because at this age we ride for fun.

Blood Donation Camp (2017-18)

Report on Blood Donation Camp

Name of the Event	Blood Donation Camp
Organized through	NSS / YRC
Resource person	Dr.G.Kavitha, Principal, SSCET
Date/time/venue	21 st September 2017/ 9.30 am– 1 pm/ Boy's Hostel
No. of Students Participated	150

On the 21st September 2017, we the “Sri Shanmugha College of Engineering and Technology” organized a successful Blood Donation Camp in our Campus. Blood Donation is an important and foremost sense of duty of every human being which saves the life of many humans who needs it in urgent situation. A team of 5 doctors and 5 nurses of Kongu Blood Bank, Erode came for collection of blood.

The Camp was started exactly at 09.30 am and was continued until the 1.00 pm. All the students as well as outsiders gave a excellent response for the Blood Donation Camp and Thalassemia Testing. It was pleasure to work for such an activity to all of us on that day and the Camp was successfully accomplished with everyone's support. Total No. of Blood = 35 Units. A Certificate of appreciation, donation card and refreshment was given to each donor as a token of gratitude. It is a proud feeling after completing this blood donation camp. Students were donated blood wholeheartedly. It gave immense pleasure to the Institution. They congratulated students who donated blood. Organized this camp aim at creating awareness about the importance of blood donation to the students and also for the society.

World Polio Day (2017-18)

Report on World Polio Day

Name of the Event	World Polio Day
Organized through	NSS / YRC
Resource person	Dr.G.Kavitha, Principal
Date/time/venue	24 th September 2017/ 03.30 – 4.45 pm/ Seminar hall
No. of Students Participated	180

Polio is a highly contagious viral infectious disease which can lead to paralysis, breathing problem or even death. In medical terms, it is known as poliomyelitis. It can occur with or without symptoms. Let us tell you that around 95% of cases are asymptomatic and between 4 and 8 percent of cases are symptomatic. World Polio Day highlights the importance of polio vaccination and measures to eradicate it. Rotary International established the World Polio Day over a decade ago to commemorate the birth of Jonas Salk, who led the first team to develop a vaccine against poliomyelitis. World Polio Day program was organized by our college's NSS and Rotaract club at our campus from 3.30pm to 4.45 pm on 24th October 2017. The principal, Rotaract club president, Rotaract club secretary of our college presided this function and all the Rotaract members our college participated in this function. The chief guest gave an awareness talk on Polio for our students.

Date/time/venue	25 th January 2018/ 10 am – 12.30 pm/ Sankari
No. of Students Participated	75

On 25 January 2018, National Voters Day is celebrated every year to spread awareness about the necessity of voting and to encourage young generation towards the voting rights. It is also necessary to increase the effective participation in the electoral process among voters. This is the ninth year of celebrating National Voters Day. Our college organized Voter's day Rally on 25.01.2018. The theme of National Voter's day is 'Inclusive and qualitative participation' reiterating the commitment towards reaching out to the last voter and promoting informed and ethical voting. The slogan 'No Voter to be left behind' has been coined to further emphasis the focus on inclusiveness. We conducted various competitions for students. Date/time/venue	30 th January 2018/10.30 – 12 a.m./ College Campus
No. of Students Participated	165

World Leprosy Day is observed internationally every year on the last Sunday of January to increase the public awareness of the Leprosy or Hansen's disease. This date was chosen by French humanitarian Raoul Follereau as a tribute to the life of the Mahatma Gandhi who had compassion for people afflicted with leprosy. It is one of the oldest recorded diseases in the world. It is an infectious chronic disease that targets the nervous system, especially the nerves in the cooler parts of the body - the hands, feet, and Face. The College has conducted Sparsh Leprosy Awareness for students they took oath and reveal their patriotism. It was held on 30.01.2018.

The revival of the village is possible only when it is no more exploited. Industrialization on a mass scale will necessarily lead to passive or active exploitation of the villagers as the problems of competition and marketing come in. Therefore we have to concentrate on the village being self-contained, manufacturing mainly for use. Provided this character of the village industry is maintained, there would be no objection to villagers using even the modern machines and tools that they can make and can afford to use. Only they should not be used as a means of exploitation of others. If the village perishes India will perish too. India will be no more India. Her own mission in the world will get lost. These are the views of the Rashtrapita Mahatma Gandhi and similarly Prime Minister Narendra Modi views are if India want to develop as Nation, the villages are to be developed first. Our college's NSS volunteers involved for the collection of required details for Women Empowerment through "Developed Village - Developed Nation" An Iecsmc - Tiu Initiative and Academia Industry Partnership on 17.02.2018 around local villages

World Water Day, on 22 March every year, is about focusing attention on the importance of water. This year's theme, 'Leaving no one behind', adapts the central promise of the 2030 Agenda for Sustainable Development that as sustainable development progresses, everyone must benefit. Our college organized World Water Day Rally on 22.03.2018. World water day is an annual event celebrated on 22nd March. The day focused attention on the importance of universal access to clean water, sanitation and hygiene facilities in developing countries. The day also focused on advocating for the sustainable management of freshwater resources. We also created awareness on ground water system.
