7.1.9 Sensitization of students and employees of the Institution to the Constitutional obligations: Values, Rights, Duties and Responsibilities of citizens

Sri Shanmugha College of Engineering and Technology organizing various activities to sensitize the students and employees to the constitutional obligations such as Values, Rights, Duties and Responsibilities of the citizens. Apart from achieving the academic excellence in all the spheres of its activities, our Institution is striving to produce the distinct productive engineers imbued with moral and ethical values. Hence, the students are being nurtured with a sense of responsibility that a responsible citizen should essentially possess by motivating them consistently to involve in various social activities.

Sri Shanmugha commemorates the sacrifice and selfless services rendered by the great leaders for achieving independence and welfare of our nation by regularly celebrating various national festivals such as Independence Day, Republic Day, birth anniversaries of great leaders and thus a sense of patriotism and loyalty towards the sovereignty of our nation is being instilled in the minds of students and thereby they are put on a holy mission of making India in unity beyond diversity.

It is obvious that the environmental cleanliness is the crux for a stronger body and mind of a person and it is the duty and responsibility of each and every individual to maintain absolute atmospheric cleanliness. It is ensured in our campus by initiating several green campus drives such as restriction of automobile entry, usage of battery-powered vehicles, pedestrian-friendly pathways and landscaping with trees and plants. As such, owing to the enormous interest evinced by our students and employees in promoting the cleanliness of our campus under SWACHHATA culture had fetched 4th position in SWACHH Campus Ranking-2018 for our Institution.

Our Institution has been recognized as a Swachhata Action Plan Institution by Mahatma Gandhi National Council of Rural Education (MGNCRE) for Sanitation & Hygiene, Waste Management, Water Management, Energy Management and Greenery. As such, NSS students and employees of our Institute continuously practicing the Clean India Campaign not only in our campus but also extended the same in the neighboring villages which clearly proves the extent of accepting the responsibility by our students and employees.

SRI SHANMUGHA COLLEGE OF ENGINEERING AND TECHNOLOGY

[Approved by AICTE, Affiliated to Anna University and Accredited by NAAC & NBA (CSE, ECE & MECH)]

Pullipalayam, Morur (Post), Sankari (Tk), Salem (Dt) – 637 304

Website: www.shanmugha.edu.in **Contact Number:** 04283-262901

Sri Shanmuga is very much concerned in promoting the atmospheric purity and as a part of it the overwhelming enthusiasm in achieving the same was proved in the year 2017 in which our college NSS students organized the tree plantation program and strewed nearly about 6,000 tree seed balls of various species in and around Tiruchengode town. Further, as an extended programme of active participation in tree plantation more than 15000 saplings have been planted inside the campus and in neighboring villages.

Sri Shanmuga students and employees are giving equal importance in educating the local common public by regularly conducting awareness programme every year on (i) Traffic Awareness, (ii) Containment of Dengue fever, (iii) Right to Vote and (iv) Avoid plastic etc.

Above all, the students and employees of Sri Shanmuga have extended their efforts to redressing the grievance of the affected public during all the natural disaster calamities scenario, by providing the required materials and as an instance during flood crisis in the year 2015, relief packs for 1000 needy families were distributed at Chennai and during the Gaja cyclone in the year 2018 at Cuddalore.
